REAL ESTATE WEALTH EXPO

\$29 Exhibit Pass Includes 35 Seminars\*

**Albert Lowry**  
Auctions & Foreclosures

Best-selling author and the father of creative real estate investing, Albert Lowry, has taught the secrets of attaining true financial independence and buying real estate foreclosures with no money down to over 350,000 dedicated students worldwide.

**Ron LeGrand**  
Quick Turn Real Estate

Ron LeGrand has closed over 1500 real estate transactions and still buys about one a week. His proven techniques have turned ordinary people into millionaires! Ron backs his advice with 19 years and millions of dollars of experience.

**Dwan Bent-Twyford**  
Short Sales

After almost a decade of buying, rehabbing, and selling investment real estate, Dwan's niche is finding bank foreclosures with no equity and negotiating with the banks to accept less than what is owed, thus creating a "Short Sale."

**Robert Shemin**  
How To Be A Real Estate Investor

Robert Shemin made his first million dollars before he was 35. But even with his fortune made, Robert still works every day buying and selling up to 50 pieces of property a month! He is a leading expert in the areas of landlording and asset protection.

**Reggie Brooks**  
Abandoned Properties

Reggie Brooks went from making \$36,000 per year to making over \$40,000 per month in his real estate business. Reggie has developed amazing **Success Systems** that can consistently turn marginal \$15K to \$20K deals into \$50K to \$75K deals.
